FEDERAL VERIFICATION WORKSHEET

2019-2020

Your 2019–2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called federal verification. Federal Regulations state that before awarding Federal Student Aid, we must confirm the information you and your parents reported on your FAFSA. To verify your information, a financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, additional information may be requested. **You and at least one parent must complete and sign this worksheet, attach any required documents, and submit all documents to College Board’s IDOC Service. We may ask for additional information.** Contact the Financial Aid Office with questions about the federal verification process.
